

# Vibrato Sheet No.1

## Intro to Vibrato

Evanston Violin Studio  
Matthew Cataldi

When practicing these exercises, place a hash mark for every set that has been done. A set consists of 8 bars of 4 beats of the tempo indicated on the left.

Students should complete at least two set of hash marks (or 10 sets of 8 bars) across one tempo before proceeding to the next set (i.e. Tempo 60 should have 2, 3, 4, 6, & 8 completed before the Tempo 65 should be started).

Students should always complete one set before going to the next one unless otherwise instructed by the teacher.

The companion DVD to this chart can be obtained by visiting the website <http://suzukiassociation.org/store/21/> for purchase. The method employs the standard Suzuki approach to teaching vibrato.
